

## Controversy and Disagreement in the Classroom

Online Annual Conference – 31 October to 29 November 2020

### FREQUENTLY ASKED QUESTIONS

**Q: What happens if I have already paid the registration fee for the face-to-face event?**

A: If you have already paid the fee to participate in the Annual Conference in Belgrade, and would like to join some online sessions, we advise you to wait for the sessions to be announced and to communicate to us which sessions you would like to take part in. We will calculate your participation fee, and reimburse you for the difference. If you do not want to join the online conference, you can already request a reimbursement.

**Q: What happens if I can take part only to some sessions?**

A: You have the possibility to register to single session, to buy packages of four workshops / plenary sessions, or to buy a 'full conference package', which contains four workshops and four plenary sessions. If you would like to further customise your participation, please email us at [alice@euroclio.eu](mailto:alice@euroclio.eu).

**Q: How much is the fee?**

A: Below you can find our fees:

- Single sessions, for a fee of 15 EUR each
- Four workshops, for a total fee of 55 EUR
- All plenary sessions, for a total fee of 55 EUR
- Four workshops + all plenary sessions for 105 EUR

**Q: Will sessions be recorded?**

A: We will record only the keynote lecture.

**Q: Will I be able to send my questions about the sessions in advance?**

A: Yes. We will collect questions about specific sessions a week prior the live event.

**Q: I have already booked my hotel in Belgrade. Can you help me?**

A: We can try. Email us at [alice@euroclio.eu](mailto:alice@euroclio.eu) and we will see how we can help ☺

**Q: How do I join?**

A: You can register following the registration button on the event page. All sessions will be held on Zoom, and you will receive the specific link to your session upon registration and with a reminder message.

**Q: If I sign up and cannot join the session, can I cancel my participation?**

A: You can cancel your participation free of charge up until 24 October. Then, you will have the possibility to cancel your participation for a cancellation fee of 7.50 EUR. After 30 October, it is no longer possible to cancel your participation.

**Q: Until when are registrations open?**

A: Registrations are open until 28 October at 14:00 (Amsterdam Time)

**Q: How do I participate / prepare for the online conference?**

If you have taken part to online meetings, trainings, and courses in the last period, you might have found yourselves in a familiar situation: the host of the meeting starts with a short introduction of how the software works, and then during the meeting different websites or applications to engage the audience are used, and you are at a loss because you have never seen this obscure website in your life.

To avoid this situation, we have decided to host two sessions, in October, during which we will walk you through the programmes and software that will be used during the Conference. Participation in these sessions will be completely free. The two identical sessions (you don't need to participate in both!) will take place on Wednesday 21 and 28 October, at 16:30.

**Q: Will you host also networking sessions?**

A: We are planning to host networking sessions in the first week of December, on 01, 03, and 05 December. However, we will do so only if there is enough interest for it. You will receive instructions on how to “require” a networking session at the beginning of October.

**Q: When will the programme be announced?**

A: We will announce the programme by 30 September latest.
