

How to apply your individual discount code to register to the 27th EuroClio Annual Conference

A STEP BY STEP GUIDE

1. Go to the **registration page**, at this link: <https://www.eventbrite.com/e/27th-euroclio-annual-conferencecontroversy-disagreement-in-the-classroom-registration-73245420023>
2. **Click on the green button “Register”**

3. In the new window that opens, **click on “Enter Promo Code”**

4. **Insert your discount code, and click on apply.**

You can find your discount code in the registration email you received when you joined EuroClio as an Individual Member. If you can't recover the email, reach out to Djoera at djoera@euroclio.eu. She will share your discount code with you!

6. Don't forget to fill in the registration form!

IMPORTANT:

- Remember that you can use your discount code only once. If you change your mind on the “type” of ticket, you can always email us at djoera@euroclio.eu and ask her to manually change your registration to reflect your wishes 😊
- If you register before 01 October, we will reach out to you as soon as the programme is published to collect your preferences on the workshops you would like to join. If you register after 01 October, the registration form will be changed to allow you to directly indicate which workshops you would like to join. If you are not sure about your preference, don't hesitate to reach out to us at djoera@euroclio.eu or alice@euroclio.eu. We will be happy to help you 😊
